SPECIAL ABILITIES

AT 63 years of age, I have a lot of energy and have been intermittent with acting over the last 20 years. I am quirky, eccentric, odd, fearless, physical and funny. I take the stage! Most recently, CBS Morning News, Bill Geist, reviewed my performance in KEEPIN IT WEIRD. He loved my trained pet pig and my hot pink art car. My visual art is award winning, often at the Bergstrom Airport in Austin. I co-wrote a play that played at Kennedy Center. My home has been on HGTV, my car on Discovery, and the local CBS news here, called me the QUEEN OF WEIRD. I have traveled around the world. I don't like to iron, sing, strip, or be a stand in for the Teltubbies.
